I will be sending you a supplemental report to cover the naming error. We will not be able to add the sample collection dates on the EDD, it would require a modification to the EDD that would have to be done the LYMS manufacture.

Thanks

Subject: RE: Shiloh Church Rd Removal Action WO#2003012 R35774

Good Afternoon John,

The Final Data for R35774 has the incorrect sample names for 3 of 4 samples. The name abbreviation is SCR for Shiloh Church Road, as seen in the Sample Identifier on the COC attached. The data report has SRC for samples C0B77, C0B78, and C0B79. Can we please request a memo-to-file for this to be corrected?

Also, would it be possible to include the sample collection dates on the EDD?

Thank you,
